# PHENOMENON INTERNATIONAL KARATE OPEN

6 JUNHO 2026

**Entroncamento** is a Portuguese city belonging to the district of Santarém , with around 20,000 inhabitants.

## History

- Council created on November 24th, 1945, with part of the parishes of Atalaia , in the municipality of Vila Nova da Barquinha , and Santiago, in the municipality of Torres Novas.
- The Entroncamento owe your name to the fact that two railway lines meet there : Northern Line (which connects Lisbon to Porto ), and the Eastern Line (which connects Entroncamento to Badajoz, in Spain). What was once a space wilderness developed in big measure, due to the passing of the train. In this way, Entroncamento he finished for becoming one parish autonomous, being detached from Torres Novas and Vila Nova da Barquinah on August 25th, 1926.
- Later (November 24th, 1945), due to to the continued progress there checked, your thirst he was elevated to the category of Town becoming, at the same time, at the same time municipal seat independent, having more afternoon been elevated to city status (on June 20, 1991).

## **The Railways**

- In a pattern similar to that of locations associated with industries, the development of Entroncamento is closely associated with the Railways. It is estimated that, during some periods of its history, mainly in the 1940s, the population associated with CP exceeded 50%.
- The city's coat of arms, representing the profile of a pair of rails and a railway sign, reflect this connection.

Welcome to  
Entroncamento

## Municipal Pavilion

2026

Opened in November 2004, it offers excellent conditions for all sports that can take place indoors, as well as for national and international competitions.

This equipment has three stands with capacity for 2000 spectators.

Composed by:

- 1 sideship
- Gymnasium
- 2 press rooms
- Conference room with bar
- VIP room with bar
- Secretary office, management office and meeting room
- Clinic
- 6 changing rooms for collective modalities
- 2 Changing Rooms for individual modalities
- 3 referee locker rooms
- 2 Storage Rooms

The useful sports area consists of a floating floor measuring 48x28 m + 14x28 mts .

The media has two rooms and eight press booths, with excellent visibility over the entire venue.

It is equipped with a variety of sports equipment, an innovative side lighting system, and large spaces for the installation of television transmission equipment. In addition to this equipment, it also has two protective curtains for the tops, manual and electronic sports markers , medical station equipment and sports floor protection , allowing the carrying out of other extra-sport activities such as congresses, fairs and exhibitions.
