

II OPEN KARATE PORTIMÃO CARLOS SANTANA

PORTIMÃO ARENA

9 MARCH 2024

WELCOME TO PORTIMÃO

- Portimão is a seaside city, characterized by its cliff beaches. But the city of Portimão is not just made of beaches, Sardines are king in Portimão's lands and the history linked to this animal and the people who dealt with it is extensive and an unavoidable mark of the city. From the sea to the mountains, Portimão have a lot to give!

WHO WHAS CARLOS SANTANA

- Carlos Santana was a restaurant businessman and a person with a big heart. For a good part of his life he was linked to Karate and to the Escola de Karate de Portimão, first watching his eldest daughter's competitions across the country and later even starting to practice the sport. But it didn't stop there, a few years after starting the practice he discovered his taste for arbitration and began his career as a table official. A year before the tragic accident that led to his untimely death, he tried to organize a large-scale competition in Portimão by his own hands, only being prevented by the COVID-19 pandemic. This event is a fitting tribute to Carlos Santana.
